

PLEASE FILL IN THAT FORM FOR THE TREATMENT

Dear Client,

the session with the trance personalities Dr. Felix and his team is an alternative healing treatment and complement to your physicians therapy.

If you are not in a momentary treatment it CANNOT substitute the visit at the physician!
If you feel sick you should also go to a doctor.

Although, all offered and executed mediumistic trance treatments at the Felix Circle in Hanau resp. by the Hanau trance-entities may affect your psychosomatic condition to different degrees.

These effects can be irritating on first sight but will lead eventually to a better condition.

We urgently recommend to go directly home after the treatment and to let the implicated powers affect the body for at least 2- 4 hours during a rest.

Moreover we recommend not to do washings in the specifically affected areas.

The resting period is part of the overall treatment and for its success it is necessary.

CIRCUMSTANTIALY OCCURRING PHYSICAL PHENOMENA DURING THE TREATMENT ARE PART OF IT AND CANNOT BE WILLINGLY CONTROLLED BY THE ENTRANCED MEDIUM. THEY ARE PART OF ITS NATURAL ABILITY AND UTILIZED BY THE INVOLVED TRANCE-ENTITIES STRICTLY FOR HEALING PURPOSES. AUDIOVISUAL RECORDINGS ARE NOT ALLOWED

THE TRANCE MEDIUM AND KALIA MIND EXPANSION ASSUME NO RESPONSIBILITIES AND PARTICIPATION IS VOLUNTARY
